Poland's Jewish Ministry Spotlight

While war shadows Ukraine, something extraordinary happened this summer in Poland's mountains - Jewish children from Ukraine found refuge at our special camp (July 14-23). Where sirens once echoed, children's laughter filled the air as they discovered rest, joy, and deeper hope through God's Word. Our theme was Ruth's story of loss, journey, and redemption. As we studied her faith and God's kindness, children began seeing reflections of their own stories, glimpsing futures filled with purpose and promise. Thirteen-year-old Nazar, attending his third year. His spiritual growth was evident when he asked to share from the Torah during Shabbat evening. Standing confidently before peers, he spoke about the camp's impact and seeing "good fruits" growing in other children's lives. His simple yet powerful words captivated younger boys with admiration. These mountain moments show God raising up the next generation.

Dear Prayer Warriors and Ministry Champions,

"Can God's power be perfected through a torn rotator cuff?"

That question hit me as I scheduled rotator cuff surgery for August 11th. The torn tendon will require six weeks without driving and months of recovery. But then I remembered Paul's words: "My grace is sufficient for you, for my power is made perfect in weakness" (2 Corinthians 12:9).

What seemed like a setback for the ministry is becoming God's strategic positioning for accelerated gospel advancement.

TURNING LIMITATION INTO OPPORTUNITY

This recovery period positions our International Ministries Department for:

- **Intensive prayer and strategic planning** during the immobilization phase
- **Enhanced partnership development** while working from home
- **Focused ministry preparation** for the 2026 expansion during the strengthening phase
- **Renewed physical capacity** for long-term gospel impact

SUMMER SPLASH: MEASURABLE RESULTS

Philadelphia Impact

Kathleen and I staffed the connect table at Summer Splash, witnessing many prayer breakthroughs and meaningful gospel conversations. Walking among families waiting for water slides, I had the privilege of sharing Christ with both children and adults, sometimes getting gloriously soaked in the process!

International Ministries Advancement

Our International Representatives achieved impressive results despite tough conditions. Through our FOI Equip Online training programs, representatives worldwide continue to provide both physical and spiritual comfort to Jewish communities. Our Hesed and ORIGINS programs in Israel offered safe spaces for participants to serve God's Chosen People while learning about the Messiah.

Even in conflict zones, our International Ministries Department continued vital outreach through our established programs, witnessing salvations and lives being restored as we faithfully share the gospel with Jewish people worldwide.

Israel's Jewish Ministry Spotlight

From Adi:

War has become an unfortunate reality for Israelis, yet these times remind us to place our faith solely in God. While I cannot predict the future, I know this truth: "The Lord brings the counsel of the nations to nothing... The counsel of the Lord stands forever" (Psalm 33:10-12).

Our youth group's Creation Series continues impacting teenagers as they explore whether everything exists by coincidence or divine design. Both perspectives require faith, and we pray this draws them closer to our Lord.

In our kids' club, we witnessed incredible news - a teenager named Ron approached his grandmother wanting to receive Yeshua into his heart. After confirming his sincerity, they prayed together, and Ron accepted Yeshua as Savior. Please pray for open hearts ready to receive our Lord and grow in His love and truth.

P.S. - The kids at Summer Splash taught me something profound: sometimes the best ministry happens when we're willing to get completely soaked. God's grace works the same way—it saturates everything when we're fully immersed in His purposes.
