## 25 INTERNATIONAL REPRESENTATIVES, 9 COUNTRIES, EXPONENTIAL GROWTH

While recovering from surgery, our ministry coaching model generated breakthrough partnerships in Warsaw, new church connections in Albany and Maine, and sustained monthly support across three continents. Here's how strategic partnership coaching is multiplying Gospel impact worldwide.

### Recovery and Role Clarity

My November 6th surgeon visit brought excellent news—my right rotator cuff surgery recovery is ahead of schedule with outstanding healing and mobility progress. The next phase involves lifting restrictions to a maximum of 5 pounds and gradual increases in movement through my December 18th follow-up.

This recovery period coincided perfectly with clarifying my role. I've transitioned from "MPD Ministry Mobilizer of International Ministries" to "Ministry Partnership Coach"—a title that better reflects how I'm equipping our international team. Physical therapy has been invaluable, much like the coaching relationships that strengthen our ministry partners.

### Field Reports: Partnership Breakthroughs

Our representatives are experiencing remarkable growth through targeted coaching support:

- **Mark in Australia** shares:  
"I have been more focused on my preaching and reaching out to and building relationships with the Jewish community."
- **Adi in Israel** reports significant partnership development:  
"I recently spoke with a pastor from Bethlehem church in Albany who supports my ministry. We are set up for a video call so that I can give him a ministry update. I also spoke with a lady from a church in Maine. There is also a possibility of their support."
- **Hanya in Poland** celebrates the ongoing provision:  
"I spoke with Danuta. She will support my ministry every month. And from Lucyna I received a significant donation for ministry among Jews."
- **Waldemar in Poland** achieved major conference connections:  
"I recently participated in a Bible conference in Warsaw, where I met with some church elders and pastors about the possibility of their support for the ministry. I will be preaching in one of the churches on Sunday, November 2nd, and they will have an offering for my ministry."
